NOTICE OF GENERAL PUBLIC INTEREST
DEPARTMENT OF HEALTH SERVICES
WILL ADOPT REGULATIONS TO IMPLEMENT
RATE CHANGES FOR MEDI-CAL
PERSONAL CARE

The Department of Health Services (DHS) is adopting emergency regulations to implement rates for Personal Care services based upon the authority granted in Chapter 939, Statutes of 1992 and Chapter 7, Statutes of 1993.

DHS is basing the rates for Personal Care services paid to individual providers and Contract Agencies on rates paid for similar services provided by the In Home Supportive Services program. Legislation authorizing the Medi-Cal program to render Personal Care services was enacted so that the same provider would render the same services at the existing rates. DHS believes that the current rates satisfy all federal requirements for provider reimbursement. The IHSS rates adopted by Medi-Cal have a history of efficiency and economy in the provision of quality services sufficient to allow on average over 95 percent of approved services to be procured by beneficiaries.

It is estimated that the adoption of emergency regulations will result in expenditures of \$652,600,000 for Medi-Cal Personal Care services (approximately \$210,765,000 for general fund) for the 1993-94 fiscal year. This notice and proposed changes are available for public review at local county welfare offices. In addition, copies may be requested by writing to Al Seltzer, Chief, Medi-Cal Benefits Branch, Department of Health Services, 714 P Street, Room 1640, Sacramento, CA 95814.

Interested parties have been given 45 days prior to and including the date of the public hearing to comment in writing on the emergency regulations.
